This will no doubt be one of the greattioneers' salesrooms at 171 John street,

> Metal Office Fixtures. In order to accommodate its growlarge and varied stock of typewriters, Bolande, president of the Bridgeport supplies, office furniture, etc. The Connecticut Office and Library Supply House, corner of Water street and Fairfield Avenue has constructed a large and roomy balcony in the rear of their big show room. This is the only store in Bridgeport devoted exclusively to this line of business and although established but a short time has already secured the confidence of the business houses in need of such articles. A big stock is always on hand so that there is no delay in delivering articles purchased. Metal filing cases and office fixtures is an important line now being displayed, including vertical letter files, document files, card index cases, etc. A postal and or telephone call will put in possession of complete facts in regard to this line of goods and its advantages.

HE'S A "RINGER" "GENTLEMEN JIM" CORBETT

Walter P. Lewis, Referee of "The Star Bout" at Poli's is Held up on Main is James J. Corbett.

"Well, well, well! If it isn't my old a Bridgeport gentleman whose name is divulged for obvious reasons slapback with a resounding thwack. The tall one was standing near the corner of Main and Fairfield avenue last night

"Excuse me," said the big fellow to his enthusiastic "friend," but I think you have made a little mistake." "Oh, go on. Quit your kidding James," replied the other banteringly, don't you remember when you and I used to go fishing down at Bayside, 4.

The tall one confessed that his mem-ory did not serve him thus far. A?ter some further discussion the affair appeared to be geting serious. The stranger insisted that he was being "snubbed" by his old time friend the popular fighter, while the tall good looking individual from Poli's was commencing to think the joke was guing a bit too far. Finally he drew forth a card case and handed one of the white pasteboards to his insistant accoster. The card read: "Walter P. Lewis, with "The Star Bout."
"Well, I'll be blowed" expostulated the recipient of the card. Look here

old man, I was so strong on this game that I would have bet up to the moon Mr. Lewis afterward recounting the incident to some newspaper friends laughed heartily over the episode.

"It isn't the first time that I have been mistaken for Mr. Corbett," he seem mistaken for Mr. Corbett," he said. "It was amusing at first, but it feared will be overflowed which means a total loss of thousands of dollars in extinguished with elight loss and no danger to passengers.

Patrons of Poli's this week have frequently remarked the striking resem-blance Mr. Lewis the referee in the "Star Bout" bears to "Gentleman

Woman the Tougher Sex.

Although men, as they run, are perhaps muscularly stronger than women. their inability to withstand the elements and their reliance upon clothes place them considerably below the so clothed toughness. Women wear clothes for ornament. Men use them as protective covering. A group of men marooned clotheless on an island in the temperate zone might be expected to die off in a month from drafts and colds and rheumatism. The health of women similarly placed would suffer little from the enforced exposure. The fact appears to be, therefore, that in everything but muscle-in vitality, ruggedness, character, disposition, brain power, etc.-woman is the tougher, not the weaker, sex.-Kansas City Journal.
